

The College of Agriculture, Food and Environment presented the Board of Trustees with sixteen faculty cases for promotion, including nine cases for promotion with tenure, at the Board's June 16, 2017, meeting. We are very proud to say that all sixteen cases were approved. These faculty members truly represent what it means to excel in teaching, research, extension, and service. Congratulations to the following faculty members:

Dr. Phillip Bridges of the Department of Animal and Food Sciences was promoted to the rank of Associate Professor with Tenure in the Regular Title Series.

Dr. Marco Contreras of the Department of Forestry was promoted to the rank of Associate Professor with Tenure in the Regular Title Series.

Dr. Nicole Gauthier of the Department of Plant Pathology was promoted to the rank of Associate Professor with Tenure in the Extension Title Series.

Dr. Michael Goodin of the Department of Plant Pathology was promoted to the rank of Professor with Tenure in the Regular Title Series.
