Instructor SCH	This is the student credit hours offered by instructors in the department, regardless of course host department. The " <b>Best match college/department</b> " selection uses a combination of fields to classify instructors in order to categorize all instructors within a college or unit. The "Best match" selection uses the college and department budget model fields first. Any records that are not included in the budget model fields are then assigned a college and department based on the following priority: the college of academic appointment, the college of the instructor's HR assignment and finally, the college that lists the class.
