

## Dr. Lisa P. Collins Outstanding Staff Award

Sponsored by

UK College of Agriculture Food, and the Environment

Gamma Sigma Delta Honorary Endowment, and the

CAFE Alumni Association

### 2022 Team Nomination Form

#### How to nominate an outstanding team:

1. Determine who is included in the team you wish to nominate and what makes the team “outstanding” as a whole.
2. Fill out the form on the following pages.
3. Submit the form to [AG-SUBMIT-L@LSV.UKY.EDU](mailto:AG-SUBMIT-L@LSV.UKY.EDU).

#### Award Details:

- Nominated teams will be recognized at the 2022 RoundUp! Staff Appreciation Day event.
- All members of nominated teams will receive a certificate.
- The winning team will receive a plaque engraved by the Robinson Center for Appalachian Resource Sustainability to display in their work area.
- All nominators and nominees should plan on attending the ceremony.

#### What is an eligible team?

- Teams may be any group of CAFE employees who work together to achieve common goals.
- Teams may be formal, such as the staff of a specific laboratory or unit, or informal such as a multidisciplinary team made up of employees from multiple units.
- Teams may include faculty and student workers in addition to staff.

#### Who may nominate a staff member?

- Any staff member, faculty member, or student of CAFE may nominate a staff member.
- Self-nominations are accepted.
- Multiple people may work together to nominate the same staff member. This is preferred rather than more than one nomination being submitted for the same team.

#### How are winners selected?

- The committee rates the nominated teams based on their dedicated, steadfast, competent, and outstanding service in the areas of research, extension, education, and service to the College of Agriculture, Food and Environment.
