Other Agent Resources

KyFarmStart: Kentucky's Beginning Farmer Program Website, www.ca.uky.edu/kyfarmstart, September 2014.

Managing in Tough Times "Bits and Tips"

A series of prepackaged programs developed for use by 4-H Youth Development, Agriculture and Natural Resource, and Family Consumer Science extension agents, covering 15 topics. The program package includes newspaper articles, radio scripts, a series of Facebook posts, and mini- PowerPoint presentations for each topic designed to assist agents in integrating financial education into other extension programs. Examples of topics include: talking to your teenager about money, using short-term credit to purchase farm inputs, and retiring in uncertain economic times.

Consumer Radio News Program (Total = 95)

The Consumer Radio News Program is produced by the University of Kentucky College of Agriculture, Food and Environment Agricultural Communications Services Unit. The Consumer Radio News program offered prerecorded radio programs to commercial radio stations and to county Extension agents via audio CDs and formatted MP3. The material was available on a weekly basis to 375 AM and FM radio stations in Kentucky until January 2013. Ninety-five consumer segments have been archived by Agricultural Communications Services at <http://news.ca.uky.edu/multimedia/radio/consumer-radio-news>, for radio media and county agent use.

FCS Information Releases (Total = 74)

FCS Information Releases are provided to Family and Consumer Science extension agents on a quarterly basis. Primary uses for the information releases are: county newsletters, newspaper articles, fact cards, websites, and in other situations agents find useful for county programming and information dissemination. Seventy-four FCS information releases have been written and archived on the UK FCS internal webpage since July 2010.

Disaster Recovery Resources

To be responsive to the needs of county extension agents and clientele a series of disaster related materials were assembled and localized to the state of Kentucky following the tornado outbreak in March 2012. The disaster recovery materials are archived at <http://www2.ca.uky.edu/moneywise/disaster-recovery.htm>. Examples of

* Denotes student

materials included as part of the disaster recovery resources are newspaper articles, social media posts, radio scripts, and The Family Financial Toolkit (North Dakota/Minnesota Cooperative Extension Service). Unit 9 (Disaster Recovery Resources for Families) was localized for the state of Kentucky.
